## FEBRUARY HIGHLIGHTS

### Saturday School in San Juan Unified

Not your typical Saturday School.

When most people hear Saturday School, they think punishment for disobeying school rules. However, the San Juan Unified

School District created a program, hosted every Saturday, to assist Afghan families who recently arrived in the U.S. become connected with community resources. SAL deputies and SSO personnel attended a session on February 12th. At the start of the day, participants were hesitant to say hello to SAL deputies. However, by the end of the day, smiles, laughter and pictures were taken. This event was a great opportunity for SAL deputies to interact with community members and create a positive and lasting connection.

New session began 2/15/22

SAL deputies, in partnership with Sacramento Police Department, Twin Rivers Police

Department and SSO personnel, successfully kick started the first 2022 S.H.O.C.K. session at the McClellan Training Facility. Currently, S.H.O.C.K. is the only youth diversion program in Northern California. The first two weeks have focused on communication, anger management and building trust amongst all the participants.

SAL would like to give a shout out to Smash Sacramento for providing the S.H.O.C.K. program with hands-on learning at their Broadway location.
